

# YASMIN JASKULSKI

ARCHITECT AND URBAN DESIGNER

-  porto alegre, brazil
-  yasmin.fjas@gmail.com
-  yasminjaskulski.com

## EDUCATION

- advanced architecture\* in circular design** | master degree  
institute of advanced architecture of catalonia | spain | 2022-2023  
\*full scholarship
- architecture and urban design** | bachelor degree  
federal university of rio grande do sul | brazil | 2015-2021

## SOFTWARES

### 2D/3d modelling

- Autocad 
- Sketch up 
- Rhinoceros 3d 

### BIM softwares

- Archicad 
- Revit 
- MEP 

### Parametric design

- Grasshopper 

### Geospatial

- QGIS 

### Rendering

- Vray 
- Lumion 

### Graphic design

- Photoshop 
- Illustrator 
- Indesign 

## LANGUAGES

- Portuguese **native** 
- English **fluent** 

- French **A2** 
- Spanish **B2** 

## SKILLS

- \_Development of projects in BIM
- \_Construction drawings of highly complex projects
- \_Design conceptualization and storytelling
- \_Projects management
- \_Leadership
- \_Strong organization and presentation skills
- \_High design visualization skills
- \_Building permit procedure
- \_High electrical and plumbing projects comprehension
- \_Construction supervision
- \_Compatibility of projects between different disciplines
- \_Research development

## AWARDS ★

COP28 UAE - Nature based projects at the Prototypes for Humanity 2023 with the project Urban Cascade, in Dubai
